

Supervisor Nolan Announces Road Repaving

Friday, 30 July 2010 10:03

Islip, NY – Islip Town Supervisor Phil Nolan is proud to announce that The Islip Town Department of Public Works is at work repaving roads in Great River using a process called full-depth reclamation, in which the old road is recycled to make a new pavement.

Pictured is a machine called a reclaimer, which pulverizes old asphalt in order to make a mix for new concrete.
